

I am writing to urge
you to block the
attempt by Sinclair
Broadcasting of
forcing its local
stations to air a
POLITICALLY
MOTIVATED smear of
John Kerry's VietNam
record - a record
declared clean by
President Bush
himself, as well as
by members of
Kerry's own platoon,
as well as by all
available evidence
portrayed in the
press in past
months. This attempt
by Sinclair to
broadcast this
slander is not only
in conflict with the
public interest, but
in contradiction to
its charter to
provide unbiased,
nonpartisan
programming. I urge
you to use all of
your authority and
office to block this
attack on our
democracy.

Thank you.
